

Good morning,

"I got acquainted with the company PRAMA s.r.o. within the scope of the selection process for the labour post: Hotel Manager.

The selection process consisted of several stages but already in the introductory round the company PRAMA s.r.o. identified very clearly my working potential.

I was successful in the selection process and currently I work on the post of the Hotel Manager in the Four-Stars hotel Grand in Jasna.

I appreciate the responsible and professional approach of the company PRAMA s.r.o. and I can advise the personal services of this agency on base of my personal experiences.

Yours faithfully,

Mgr. Peter Bednarcik
Hotel Manager
