PRAMA, s.r.o.
Bajkalská 22
821 09 Bratislava

Subject : Reference letter

The company HMH s.r.o. is oriented on the industrial automation equipments and has an important position not only on the home market, but also in the neighbouring countries. On the basis of our own know-how, own development, production and service capacities we provide currently the complete system life cycle of MIREL for the application in the difficult environment of railway transport. The main activities of our company are the development of technical means and software, production, warranty and after warranty service, training of servicing and maintenance staff.

The specific orientation of our company requires also specific demands on our employees.

The company PRAMA s.r.o. has understood the high-technical orientation of the company HMH s.r.o., has promptly oriented itself on the market and secured qualified employees for several working places, who match not only the professional demands but also meet the company`s corporate culture.

An integral part of the professional choice of the company PRAMA s.r.o. is also testing of English and German language knowledge.

We believe that thanks to the cooperation with the company PRAMA s.r.o. we will find in new experts who will help us to develop our activities the future.

On the basis of our positive experience we recommend the personal services of the company PRAMA s.r.o.

Bratislava, 29.5.2012

Anka Lasloková, office manager
