

Katarína Krištofová

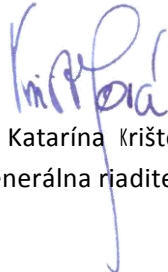

DIRECTOR GENERAL

Martin, 13 December 2012

Letter of thanks

I am writing on behalf of the Slovak National Library (SNL) to acknowledge the professionalism and quality of services of the HR agency PRAMA s.r.o., with which the SNL cooperated to fill the positions of IT manager and administrative assistant to the Director General. The recommended candidates exactly matched the employer's expectations and we were able to fill the required positions with high-quality staff very quickly. I would like to say a thank you for their excellent cooperation, which the SNL Council will continue to count on in the future and which I can only highly recommend.
